Semi-Formal Attire Required

Dear Parent, Student, and Guest:

CCHS strives to provide a positive social atmosphere at dances and other events throughout the school year. To promote an appropriate environment for students, the school has developed dance behavior expectations, dress standards, and conduct guidelines. When purchasing dance tickets, students are agreeing to abide by the behavior expectations, dance dress standards, and dance conduct guidelines listed below. Please read before purchasing tickets or completing the Guest Pass Agreement.

Please note that Calvary Chapel High School Administration must approve all guests.

Dance Behavior Expectations

- No student will be admitted more than 60 minutes after the start of the dance unless prior arrangements have been made with the ASB Director or CCHS Administration. Students may not leave the dance any time before 30 minutes prior to the end of the dance without prior consent arranged by the ASB Director or CCHS Administration.
- All CCHS students must present their student identification upon entrance to the dance.
- All students will be observed for use of illegal or controlled substances prior to the entry to the dance. Security may conduct pat downs and purse searches. Any student who refuses to comply will be denied entry and parents will be contacted.
- Any vehicle, including limousines, can be searched at any time. Student drivers and passengers will be held responsible and will be given consequences for any illegal substance in the vehicle.
- Any student exhibiting disruptive behavior, suspected influence of illegal or controlled substances, positive breathalyzer test or failure to adhere to dance guidelines will be removed from the dance and parents will be called to retrieve him/her. No refunds will be given and disciplinary action will be taken.
- Guests must be in high school or must have graduated high school within the last year. Guest passes must be turned in and approved by the ASB Director prior to the purchase of tickets for the upcoming dance. All Guest Passes are subject to review by administration and may be denied. Students may invite a student from another school to attend CCHS events.

Dance Dress Standards

While school dress standards apply to all school events, the following guidelines address expectations specific to school dances. If the student is in violation of dance dress standards at any time, the student will be immediately required to make necessary adjustments to their attire or may be asked to leave the venue. Repeated violations may result in the loss of privilege to attend future dances.

- The length of dresses and skirts must fall at the top of the knee or at a maximum of 4 inches above the knee cap. Shorts shall be worn underneath dresses that fall above the knee.
- Necklines on dresses may not plunge below the bust line; no excessive cleavage.
- Backless dresses that plunge below the middle of the back are not permitted; no abdomen or torso may be exposed.
- Slits may not extend above the length of the fingertips when hands are at the side.
- Any part of the dress comprised of sheer fabric or lace constitutes exposure of the skin and may be considered outside of dress standards.

NOTE: Students wishing to attend the dance wearing attire that may be considered to fall outside these guidelines should seek prior approval from the Dean of Girls, Coby Aldana.

Dance Conduct Guidelines:

These guidelines apply on and off the dance floor. Sexually suggestive dancing will result in the consequences listed below. To be explicitly clear, students are expected to adhere to the following guidelines:

- No grinding
- No bending over
- No straddling legs. Both feet must remain on the floor
- No touching of breasts, buttocks, genitals or pressing up against one another in a manner which is inappropriate
- No "making out" (overt and/or prolonged public displays of affection)
- Hands on waists or shoulders only (depending on dance style)
- No moshing

The above-mentioned behaviors and acts will not be tolerated and individuals, couples, or groups engaging in such acts or movements will be removed from the dance and parents/guardians will be contacted. School administration reserves the right to make decisions on suitable dance movements and on student dress based on appropriateness and good taste.

Dance Consequences:

If at any time a student or their guest violates the Dance Behavior Expectations, Dress Standards, or Conduct Guidelines, they may be removed from the venue and the behavior will be documented for further discipline. If such actions are carried out, parents/guardians will be notified and the student will be subject to further consequences. Repeated violations may result in loss of privilege to attend dances in the future.

Please note that administration reserves the right to remove a student and/or their guest from the dance without a warning if the violation warrants. NO REFUNDS WILL BE PROVIDED FOR REMOVAL FROM THE DANCE.
